

Privia Health to Report Third Quarter 2026 Results on Thursday, November 5

Oct 8, 2026

ARLINGTON, Va., Oct. 08, 2026 (GLOBE NEWSWIRE) -- Privia Health Group, Inc. (Nasdaq: PRVA) today announced that it expects to release financial results for its third-quarter and nine-month periods ended September 30, 2026 before market open on Thursday, November 5, 2026.

The press release is expected to be publicly disseminated by 7:00 am ET and will also be available on the Company's Investor Relations website at ir.priviahealth.com. Privia Health management will host a conference call beginning at 8:00 am ET on the same day, Thursday, November 5, to discuss the results and management's outlook for future financial and operational performance.

You can visit ir.priviahealth.com/news-and-events/events-and-presentations to listen to the call via live webcast. The webcast will be archived and available for replay for on-demand listening shortly after the completion of the call under the same link. Go to <https://register-conf.media-server.com/register/BI3e1a918b115e49a7b2ba6510d843a3c5> to pre-register and obtain your dial-in number and passcode to join the live conference call.

About Privia Health

Privia Health™ is one of the largest physician enablement companies in the United States with a presence in 25 states and the District of Columbia. Privia builds scaled provider networks with primary-care centric medical groups, risk-bearing entities, a physician-led governance structure, and the Privia Platform comprising an extensive suite of technology and service solutions. Privia collaborates with medical groups, health plans and health systems to optimize 1,300+ physician practices, improve the patient experience for 6.1+ million patients, and reward 5,600+ physicians and advanced practitioners for delivering high-value care.

Privia's mission is to transform healthcare delivery to achieve better outcomes, lower costs, and improve the health of communities and the well-being of providers. For more information, visit priviahealth.com.
